Use your new account email & password to sign in

Once you have an account, you can sign in by going to the URL, <https://dashboard.codespark.com/>

There is a **Getting Started Guide** that I recommend which will tell you how to create a classroom, add students, and create a code so your students can access your classroom at this site. Use this link or click on the Resources tab in the top menu, <https://dashboard.codespark.com/dashboard/resources/getting-started-guide>

Have fun with your students!!
